1 PROJECT MANAGER

4 SITE COORDINATORS

Planact SEF Round 4

Demographics

October 2025 to July 2026

ROUND 4 PARTICIPANTS

1 000

participants for round 4.

GENDER

77%

of participants were female.

GENDER

22%

of participants were male.

1% prefers not to say.

AGE PROFILE

35 - 44 years

was the largest age group, followed by 25 to 34 (30%) and 45 to 59 (29%). Youth aged 18 to 24 accounted for 9%.

Greening and Environment

(October 2025 - July 2026)

Seven measurable outcomes from community-led environmental action

01

98 606

Households serviced / benefiting

02

377

People trained / supported in greening sector

146

Fruit trees planted

04

29 325

Recyclable waste collected (kg)

05

R19 672

Recyclable waste sold (Rands)

42 203

Black bags of refuse collected

07

1 381

Public Spaces cleaned

Community Safety and GBV prevention

(October 2025 - July 2026)

Five measurable outcomes from community safety and GBV work

01 **7**
Community patrolling forums established in 7 settlements

02 **168**
Prevented incidents of community violence.

03 **140**
Prevented incidents of GBV violence

04 **890**
Young men mentored on youth programmes

05 **466**
Participants trained in security

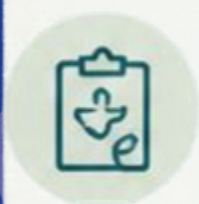

Health and Wellness

(October 2025 - July 2026)

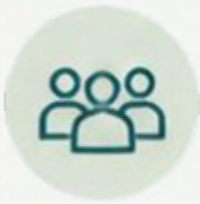

Five measurable outcomes from the health and wellness theme.

500 Participants trained
in the health sector

1 032 Health baseline
screenings conducted

572 Beneficiaries with
increased access to
healthcare

3 389 Community households
visited by health workers

548 Support provided to the elderly/immobile

Food Security

(October 2025 - July 2026)

Seven measurable outcomes from the Food Security theme

01 Households with door-sized food gardens

1 027

02 People benefiting from food gardens/feeding schemes

13 182

03 Area of food gardens established (sqm)

65 945

04 Vegetable seedlings planted

37 632

05 Organic waste composted (kg)

11 023

06 People taught about food and nutrition

4 515

07 Vegetables delivered to feeding projects (kg)

2 344

Two measurable outcomes from the digital address theme.

01

Informal settlement households
addressed

22 400

02

Informal settlements mapped

7

Planact SEF Round 4

Institutional Partnerships Developed

IDC

Funder; quarterly and monthly reporting; verification of figures

Google Maps, India Office

Address Maker digital addressing application; data validation

Rand Water (WaterWise)

Food gardening training; 2-year gardening cycle; 3 communities

PETCO

Recycling partnership; business management training
